What We Do

Duha Group
CONNECTING THE WORLD WITH COLOUR

A Never Ending Journey
Duha Operating Systems

Leaders in Colour Sampling

Products used by...

- ❖ Retail Paint Industry
- ❖ Paint Manufacturers
- ❖ Automotive Paint Industry
- ❖ Other various color or texture specific industries

A Never Ending Journey
Duha Operating Systems

Wal-Mart

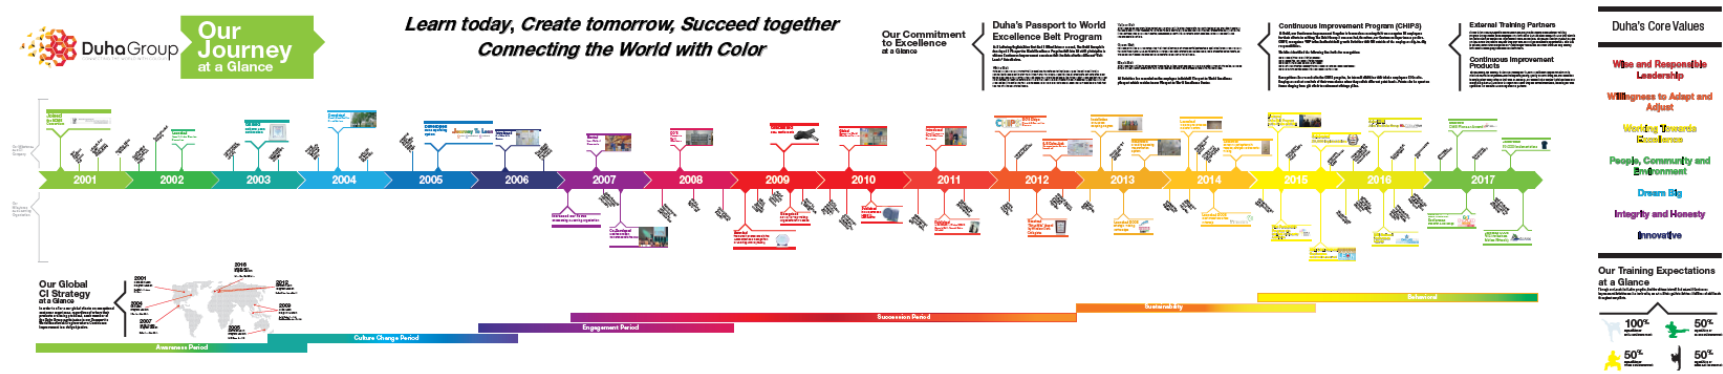

A Never Ending Journey
Duha Operating Systems

How We Approached our CI Journey

A Never Ending Journey
Duha Operating Systems

How We Approached our CI Journey

- 20+ year journey
- Started by chance but sustained by necessity & culture.
- We certainly didn't always get it right the first time!

A Never Ending Journey
Duha Operating Systems

OUTCOMES

Objectives

- When you walk out of here to be able to build an Leader Standard Work system
 - Repetitive task management
 - Leader Standard Work
 - Visual management

BALANCING ICE BREAKER

A Never Ending Journey
Duha Operating Systems

Nail challenge

A Never Ending Journey
Duha Operating Systems

REPETITIVE TASK MANAGEMENT

A Never Ending Journey
Duha Operating Systems

How to ensure tasks get done

- Keep it **simple**
- Help with **time management**
- Give ownership/ **accountability**
- Give **understanding of why**
- Make it **visual**
- Create a **habit**

Building Habit Example

<https://www.youtube.com/watch?v=xEMjTtaTzB8#action=share>

Benefits of Repetitive Task Management

- Employee Accountability
- Increases employee knowledge
- Frees maintenance personal for larger issues
- Encourages a teamwork environment
- Eliminates potential safety risks

Benefits of Repetitive Task Management

- Improved plant productivity & capacity
- Lower operating costs
- Improved equipment lifespan and reliability
- Better quality & on time delivery to our customers
- Allows focus on more strategic requirements

Repetitive Task Management Tools

- Visual Tool
- Helps manage recurring tasks
 - Important
 - Often forgotten
 - Miss because of absence
- Easy to manage
 - Employee
 - Supervisor
 - Team

Repetitive Task Management Activity Centre

- Leader friendly
- Team Oriented
- Individual Accountability

Determining Daily TPM Activities required

- Designate goes to the board
- Takes current tag(s)
- Assign at huddle
- Find activity number on tag
- Match to the number in the activity binder

Completing the Activity

- Each section has a related SOP
- Take any tools required to complete the activity
- Follow the Step by Step instructions set up

Completed TPM Activities

- When the task has been completed
- Flip the T.P.M. card to the completed (green) side
- Initial the card
- Place it back on the current date hook (at back)
- Uncompleted tags are always to the front

Tools Required: Computer, Written SOP, Visual SOP Template

In teams

- Go to your board
- This is June... write June as the month
 - Identify which dates are Saturday/ Sunday
 - Cross off each weekend date and any holidays as applicable

In teams

- We are looking at 4 weeks...
- We have one task that is to be done weekly...
 - Pick a day to complete this task... M? T?...
 - Put one tag on that weekday for each workweek

In teams

- We are looking at 1 month...
- We have one task to be done Monthly
 - Pick a day to complete this task... there are 22 to pick from
- We need one monthly tag
 - One monthly task... next month we use the same tag

In teams

- We are looking at 1 full month... plus 12 months on the bottom
- We have one task to be done every 3 months
- put one on your board for June – pick a day
 - Put one in three months (Sept)
 - Put one in another 3 months (Dec)
 - Put one in another 3 months (Mar)
- Each month we replace the quarterly tags
